PREMIER WIRELESS™

Getac

Getac System Overview

Body Camera, In Car, & Video Suite

Typical Closed Platforms

- Locked into long-term contracts
- Difficult data portability
- Expensive platform migrations
- Forced ecosystem dependency
- Limited carrier flexibility
- Rising renewal costs
- Hardware tied to software lock-in
- Vendor controls your roadmap

The Getac advantage

- **You own your data**
  Full access. Full control. No surprises.
- **Annual renewals — not endless lock-ins**
  Stay because it works, not because you're trapped.
- **Open, flexible platform**
  Easily integrate, evolve, and scale on your terms.
- **Multi-carrier freedom**
  You are not forced to buy software you do not need or use.
- **Flexible purchase or OPEX models**
  Buy outright, rent, or subscribe. You decide.
- **Tech buyback options**
  Protect your investment and stay future-ready.
- **Built around agency flexibility**
  Change solutions without starting over.
- **Your agency drives the roadmap**
  We adapt to you — not the other way around.

A COMPLETE ECOSYSTEM. WITHOUT THE STRINGS.

- **In-Car Video + Body Worn Platform**
- **Multi-Carrier Connectivity**
  (AT&T, Verizon, T-Mobile)
  Plus many others
- **In-Car Routers + LTE Connectivity**
  Optional
- **Flexible Financing Or Outright Purchase**
- **In-Car & Body Worn Integration with Mobile Computing**
- **Deployment, On-Site Installation & Post Deployment Support**

FREEDOM MATTERS WHEN TECHNOLOGY BECOMES MISSION CRITICAL

OWN YOUR DATA • KEEP YOUR OPTIONS • PROTECT YOUR INVESTMENT • SERVE YOUR COMMUNITY
