PREMIER WIRELESS™

T-MOBILE FOR BUSINESS
REGISTERED PARTNER

Product & Solution Portfolio

WHAT WE PROVIDE

YOUR TECHNOLOGY PARTNER BEYOND THE NETWORK

Premier Wireless helps turn connectivity into complete technology solutions. From internet and devices to communications, safety, fleet technology and device management, we help identify, source, deploy and support the technology your customers need.

CONNECTIVITY & INTERNET

Keep people, places and technology connected.

- Business Internet
- Mobile Internet & Connectivity
- 5G/LTE Connectivity
- Wireless Failover & Redundancy
- Routers & Gateways
- Mobile Hotspots
- POTS Replacement
- Satellite Connectivity
- T-PRIORITY™
- Camera Connectivity & Live Streaming

Already have cameras? Premier can provide solutions that add wireless connectivity and live-streaming capabilities to compatible existing camera systems.

DEVICES & COMMUNICATIONS

Equip teams to work and communicate from anywhere.

- Smartphones & Tablets
- Rugged Devices
- Laptops & Chromebooks
- Push-to-Talk (PTT)
- PTT Devices & Applications
- MultiLine
- Zebra & Purpose-Built Devices

5959 Corporate Drive, Suite 1225, Houston, TX 77036

SAFETY, SECURITY & VISIBILITY

Protect people, property and operations.

- Panic Button Solutions
- E911 & Emergency Communications
- AI-Enabled Cameras & Video
- License Plate Recognition (LPR)
- AI Gun Detection
- Body-Worn Cameras
- Asset & Personnel Tracking
- Situational Awareness

FLEET & CONNECTED TRANSPORTATION

Connect, track and improve visibility across mobile operations.

- Vehicle Routers & Connectivity
- GPS & Vehicle Tracking
- Asset Tracking
- AI Fleet Cameras
- Fleet Visibility
- Driver Communications
- In-Vehicle Devices
- Mobile Workforce Technology

Premier can source and integrate connectivity, tracking, camera and communication technologies based on the customer's fleet needs.

DEVICE MANAGEMENT & MANAGED SERVICES

Simplify technology from deployment through refresh.

- Mobile Device Management (MDM)
- Unified Endpoint Management (UEM)
- Device Procurement
- Configuration & Staging
- Zero-Touch Enrollment
- Kitting & Deployment
- Application & Security Management
- Remote Device Support
- Lifecycle Management
- Device Refresh

DON'T SEE WHAT YOUR CUSTOMER NEEDS?

Ask Premier. Our capabilities extend beyond what's shown here. We work across a broad technology ecosystem to source solutions around the customer's specific needs.

PURPOSE-BUILT SOLUTIONS

Connectivity, hardware and software brought together to solve specific operational challenges.

CPR³

Connecting People to Resources

A configurable mobile platform that connects people with communications, applications and critical resources when and where they're needed.

ConnectED Bus

Connected School Transportation

Bring connectivity, communications and technology together to create a smarter, more connected school transportation environment.

Crosswalk K-12

Smarter Student Transportation

Technology designed to improve visibility, communication and coordination across student transportation operations.

ProteqNet

Connected Safety & Emergency Response

Bring safety, communication and response technologies together to improve situational awareness and emergency coordination.

VeraSync™

Remote Patient Monitoring

Connected technology that helps healthcare organizations extend patient monitoring beyond the facility.

Library Checkout Program

Ready-to-Lend Connected Technology

Help libraries expand digital access with ready-to-deploy hotspots, Chromebooks and laptops—configured, connected, managed and supported by Premier Wireless.

ConnectED Vision / CamVision

Connect the Cameras You Already Have

Add wireless connectivity and live-streaming capabilities to compatible existing camera systems—without requiring an entirely new camera deployment.

EverLink + T-Priority + Satallite

Stay Connected Anywhere.

When every second matters, stay connected. EverLink + T-Priority™ keep critical communications and information moving, even when networks are congested or coverage is limited.

5959 Corporate Drive, Suite 1225, Houston, TX 77036

THE PREMIER DIFFERENCE. MORE THAN TECHNOLOGY

White-Glove Support From Start to Finish.

Premier doesn't just source technology. We help design, configure, implement, manage and support the complete solution—working as an extension of your team throughout the technology lifecycle.

1 CONSULT & DESIGN
Understand the need and build the right solution.

2 SOURCE & PROCURE
Access the right hardware, software and technology partners.

3 CONFIGURE & STAGE
Prepare devices and technology before deployment.

4 IMPLEMENT & DEPLOY
Kitting, activation, enrollment and rollout support.

5 MANAGE
MDM, security, applications and device administration.

6 SUPPORT
Responsive, white-glove support after deployment.

7 REFRESH
Lifecycle planning, replacements and technology refreshes.

Why Premier Wireless?

SOLUTION DESIGN & SOURCING
One partner to help identify and source the right technology for the opportunity.

IMPLEMENTATION & DEPLOYMENT
Configuration, staging, kitting, activation, enrollment and deployment support.

MDM & ONGOING MANAGEMENT
Device enrollment, security, application management and ongoing administration.

WHITE-GLOVE SUPPORT
Hands-on expertise before, during and after deployment.

Solutions Across Industries

- K–12 Education
- Higher Education
- Government
- Public Safety
- Healthcare
- Transportation & Logistics
- Construction & Field Services
- Business & Retail
- Libraries
- Security

Technology From Leading Brands

SAMSUNG · sonim · ZEBRA · inhand · cradlepoint · inseego · ZEROEYES · peplink · Panasonic · DELL · Lenovo · Getac

HAVE AN OPPORTUNITY? BRING US IN.

Whether your customer needs connectivity, devices, PTT, safety technology, fleet solutions, MDM or something more specialized, Premier Wireless can help identify, source, implement and support the right solution.
