Workforce Management for Healthcare

Real-Time Visibility for Care Teams on the Move

Healthcare teams are constantly moving between patients, facilities, and shifts. Without real-time visibility, coordination becomes difficult and response times can suffer.

Encore provides workforce tracking, mobile documentation, and real-time insight across care teams.

Key Features

- GPS Workforce Tracking – Know where staff are in real time
- Digital Forms – Capture care data and documentation
- Mobile Timekeeping – Track shifts accurately
- Task Management – Assign and manage care tasks
- Central Dashboard – Monitor team activity

Healthcare Benefits

- Improve visibility across care teams
- Reduce delays in coordination and response
- Streamline documentation and reporting
- Increase accountability across staff
- Support more efficient operations
