

Always-On Security. Anywhere You Need It.

Solar-Powered 4G Outdoor Security – No Wires. No Outlets. No Compromise.

Security Without Limits

The Hawk is a solar-powered LTE outdoor camera designed for businesses and sites where standard wiring isn't feasible. From remote job sites and trailers to off-grid kiosks and pop-ups, it delivers 24/7 surveillance with minimal setup and maximum reliability.

Key Features

- ✔ 8 W Solar Panel – Keeps the system charged wherever the sun shines.
- ✔ Built-in 8,000 mAh Battery – Reliable backup power for day and night operation.
- ✔ Wide-Angle Coverage – Rotating lens pans 305° and tilts 100° for full visibility.
- ✔ 24/7 Night Vision + Smart Alerts – Detects human movement only, reducing noise from false triggers.
- ✔ Cellular Connectivity (4G LTE) – Works independent of wired internet, enabling remote placements.
- ✔ App Control – O-KAM – Live feeds, recordings, settings, and alerts at your fingertips.

Benefits at a Glance

- **Flexible Deployment** – Place it virtually anywhere: construction sites, outdoor retail, remote offices.
- **Truly Wireless** – No need for power outlets or network cabling. Set it and forget it.
- **Reliable Monitoring** – Solar + battery + cellular = always-on surveillance even in power/internet outages.
- **Broad Coverage & Smart Alerts** – Wide-angle lens + smart human detection = fewer blind spots, fewer false alarms.
- **Mobile-Friendly** – Monitor from your phone, receive alerts, manage settings wherever you are.
- **Cost-Effective & Scalable** – Affordable deployment at multiple sites without heavy install costs.

Why Premier + T-Mobile

Nationwide Coverage

Leverage T-Mobile's network to place the Hawk in even remote locations.

Premier Tier-2 Support

Seamless activation, device provisioning, monitoring assistance — so you're never on your own.

Turnkey Deployment

Pre-configured and ready to install — rugged, reliable, and plug-and-play.
