

EVOLVE T3 Pro 5G

Always-Connected Laptops for the Modern Workforce

The Challenge

Today's teams don't work in one place — but connectivity often assumes they do.

- ✓ Wi-Fi is unreliable
- ✓ VPN access slows teams down
- ✓ Outages disrupt productivity
- ✓ Security risks increase off-network

When people can't connect, work stops.

The Solution

EVOLVE delivers built-in 5G connectivity directly inside the device — keeping teams productive, secure, and online anywhere work happens. No hotspots. No dependency on Wi-Fi. Just always-on connectivity.

Key Features

- ✓ Built-in 4G/5G cellular connectivity
- ✓ 11.6" touch display — lightweight and mobile-ready
- ✓ Intel® Celeron® processor for everyday productivity
- ✓ Windows 11 or Linux support
- ✓ Secure TPM 2.0 hardware security
- ✓ USB-C, HDMI, USB-A ports for flexibility
- ✓ All-day battery for work on the move
- ✓ 8 GB of RAM (for multitasking and running apps)

What This Enables

- ✔ Work securely from anywhere
- ✔ Eliminate reliance on public or guest Wi-Fi
- ✔ Maintain productivity during network outages
- ✔ Simplify IT deployment and management
- ✔ Support remote, mobile, and hybrid teams

Ideal For Business • Healthcare • Retail • Field Services • Government • Education • Hospitality

Why Premier + T-Mobile
