

CA-NF22 QHD DUAL LENS CAMERA

CA-NF22 In-Vehicle Camera:
Dual 2K Cameras and Rotatable Lens for
Unparalleled Patrol Visibility

Rotatable Camera

With a 90° left and 225° right rotation, this camera fully captures scenes and provides an extended view of the surroundings. It enhances situational awareness for patrol professionals, and supports law enforcement with real-time evidence and superior visibility in dynamic environments.

Dual 2K Resolution

Both the camera feature up to 2K QHD resolution with high dynamic range (HDR) encoding for clear detailed images in any ambient lighting.

Low Light Viewing, Zero Dark

Both cameras deliver superb low-light performance with minimal visual noise in dim, ambient, or indirect lighting.

Military-Grade Durability

MIL-STD-810H compliant. Built to withstand extreme environments, ensuring consistent performance in a wide temperature range from -22°F to 140°F.
