

Rugged Video Solutions

Typical Closed Platforms

- ✗ Locked into long-term contracts
- ✗ Difficult data portability
- ✗ Expensive platform migrations
- ✗ Forced ecosystem dependency
- ✗ Limited carrier flexibility
- ✗ Rising renewal costs
- ✗ Hidden/extra subscription fees
- ✗ Hardware tied to software lock-in
- ✗ Vendor controls your road map

The Getac advantage

- ✓ **Annual renewals – not endless lock-ins**
Stay because it works, not because you're trapped.
- ✓ **You own your own data**
Full access. Full control. No surprises.
- ✓ **Open & flexible platform**
Easily integrate, evolve, and scalable on your terms.
- ✓ **Open AI – integrate 3rd party software**
You are not forced to buy software you do not need or use.
- ✓ **Multi-carrier freedom**
AT&T, T-Mobile, Verizon and others, you choose.
- ✓ **Fixed low-cost cloud**
Storage and access per devices not user.
- ✓ **Cloud included at no cost**
Supervisor, AD, Transcription, Redaction, Mapping and more...
- ✓ **Built around agency flexibility**
Change or add to solution with out starting over.
- ✓ **Your agency drives the roadmap**
We adapt to you – not the other way around.
