crexendo® VIP™

Cloud Communications Improve Your Dealer Experience

What are the benefits of cloud communications? Everything from cost savings (up to an astounding 55%) to measurable increases in system reliability, efficiency, and productivity. Keep all of your dealerships and employees seamlessly connected with your customers!

Video

Improve team productivity with HD-quality one-to-one, group, and webinar-style meetings for up to 1,000 attendees.

Interactions

Streamline internal and external workflows with Voice Mail, FT Messaging, SMS, Team Chat, and powerful integrations.

Phone

Use the device of your choice for business communication, whether mobile, browser-based or traditional desk phone with HD Voice.

No downtime. *No kidding.*

Crexendo®'s 100% Uptime Guarantee assures rock-solid, uninterrupted reliability and availability.

Streamlined VIP Workflows

Optimize your Video, Interactions, and Phone communications to work more effectively.

Simple VIP Management

Easy, portal-based management and intuitive interfaces make it simple to log in and succeed.

Versatile VIP Integrations

Integrate into over 400 leading SaaS applications to leverage your business intelligence.
