

Always-On Communication for Field Operations

Communication Hub — Portable Business Continuity Device

When storms, outages, or local service disruptions impact your office, missed calls can mean lost jobs and lost revenue.

The **Communication Hub** keeps your business reachable by providing voice, messaging, email, and hotspot connectivity in a single portable device. **Powered by the T-Mobile network**, it **allows your team to continue** taking customer calls, coordinating technicians, and running daily operations — even if your office internet or phone system is down.

Key Features

- ✓ Powered by T-Mobile's network for reliable calling
- ✓ Portable communication hub for office or remote operations
- ✓ Integrated voice, messaging, email, and hotspot connectivity
- ✓ Built-in battery backup for continued operation

Field Service Benefits:

- Never miss customer calls or service requests
- Maintain technician dispatch and scheduling
- Continue operations even if office internet is down
- Protect revenue with built-in business continuity

Delivered by Premier Wireless, powered by T-Mobile's Network
Keep your business reachable. Keep your crews working.
