

Personal Safety & Emergency Alerts for Mobile Teams

Instant alerts. Immediate response.

When emergencies happen, seconds matter. **Personal Safety Devices and Panic Buttons** provide instant emergency alerts and real-time location tracking — giving dispatch immediate visibility into where help is needed. **Perfect for lone workers and mobile teams** who need fast access to help wherever they are.

Powered by the T-Mobile 5G network, alerts transmit without relying on local Wi-Fi or on-site networks.

Key Features

- ✔ SOS emergency alerts at the touch of the button
- ✔ Real-time indoor & outdoor location tracking
- ✔ Location updates approximately every 10 seconds
- ✔ Cellular connectivity — no reliance on local Wi-Fi or LAN
- ✔ Centralized dashboard for monitoring teams and alerts

Field Service Benefits:

- Accelerate emergency response — dispatch help instantly
- Protect lone workers and mobile teams with real-time location visibility
- Maintain visibility anywhere — on the road or at the job site
- Increase worker safety and response coordination

Delivered by Premier Wireless, powered by T-Mobile Network
Protect your crews. Strengthen your response.
