

Instant Push-to-Talk Communication for Field Crews

Instant communication. Anywhere the job takes you.

From dispatch to job sites and service vehicles, the **Siyata SD7** keeps field teams connected with **reliable push-to-talk** over T-Mobile's Network.

Key Features

- ✔ One-touch push-to-talk over cellular
- ✔ Rugged, glove-friendly design built for field environments
- ✔ Loud, clear audio for high-noise job sites
- ✔ Emergency alert button for worker safety
- ✔ Encrypted, managed communication

Field Service Benefits:

- Connect crews instantly across office, vehicles, and job sites
- Eliminate radio range limitations and dead zones
- Improve response times and dispatch coordination
- Enhance safety for technicians working alone

Delivered by Premier Wireless, powered by T-Mobile 5G Network
Keep your crews connected — wherever the job takes them.
