PREMIER WIRELESS™

T-MOBILE FOR BUSINESS REGISTERED PARTNER

Rugged Mobile Devices for Field Operations

Built for the field. Powered by 5G.

Zebra rugged handhelds, tablets, and wearable devices deliver reliable, 5G-enabled field-ready computing that keeps crews productive in demanding environments. From asset scanning to job updates, teams stay connected and efficient in real time.

Key Features

- Rugged design built for harsh field conditions
- Handheld, tablet, and wearable device options
- Integrated barcode, RFID, and GPS capabilities
- Enterprise-grade security and device management
- Reliable connectivity for real-time operations
- 5G-enabled connectivity for real-time field operations

Field Service Benefits:

- Increase technician productivity — Access job data instantly.
- Improve accuracy in the field — Scan assets and parts on site.
- Enhance operational visibility — Sync data in real time.
- Reduce downtime — Devices built to withstand tough environments.

Delivered by Premier Wireless, powered by T-Mobile 5G Network
