

ProteqNet™ for Public Libraries

Connected Safety Support for Library Staff

Library staff serve the public every day in open, accessible environments where interactions can sometimes become unpredictable. From front desks and public computer areas to meeting rooms, stacks, and parking areas, **employees may need a fast, discreet way to call for help.**

ProteqNet™ personal safety devices provide **immediate emergency alerts and real-time location tracking** to help staff quickly request assistance when a situation escalates.

Powered by T-Mobile's nationwide network, ProteqNet™ delivers reliable connectivity without relying on local Wi-Fi or internet infrastructure.

ProteqNet™ Solutions

ProteqNet One™

Connected personal safety devices and panic buttons for staff protection

ProteqNet Locate™

Indoor and outdoor location visibility during critical incidents

ProteqNet Response™

Alert monitoring and ProteqNet™ CoRe Dashboard
