

# ProteqNet™ for Child Protective Services (CPS / Child Welfare)

## Protecting Caseworkers in the Field and Community

Child welfare professionals regularly enter unfamiliar environments, manage emotionally charged situations, and operate throughout the community with limited visibility and support.

ProteqNet™ delivers **cellular-connected personal safety devices** designed to help protect caseworkers with instant emergency alerts and real-time location visibility.

Powered by T-Mobile's nationwide network, ProteqNet™ devices work anywhere without relying on local infrastructure or Wi-Fi.
