

ProteqNet™ for Utilities

Reliable Safety for Crews in the Field

Utility workers operate in hazardous, remote, and after-hours environments—often **alone and without immediate support**.

ProteqNet™ safety solutions provide **instant emergency alerts and real-time location tracking** to support faster response and improved worker safety.

Powered by T-Mobile's nationwide network, ProteqNet™ delivers reliable coverage wherever crews operate.

ProteqNet™ Solutions

ProteqNet One™

Personal safety panic button for lone workers and mobile teams

ProteqNet Locate™

Indoor and outdoor location visibility during critical incidents

ProteqNet Response™

Alert monitoring and ProteqNet™ CoRe Dashboard

ProteqNet Link™

Nationwide cellular connectivity layer powered by T-Mobile

Key Features

- ✓ One-touch emergency alert activation
- ✓ Real-time GPS tracking for crews
- ✓ Works without local infrastructure
- ✓ Rugged, field-ready devices
- ✓ Central monitoring dashboard

Benefits

- 

Protect field crews in remote environments
- 

Improve response during emergencies
- 

Reduce risk and liability exposure
- 

Support OSHA safety compliance
- 

Strengthen workforce confidence and safety

ProteqNet™ helps utilities improve worker safety, strengthen visibility, accountability, and support faster emergency response for crews operating in the field.
