Actsoft Workforce Management for Healthcare

Real-Time Visibility for Teams on the Move

Care teams are constantly moving—between patients, facilities, and shifts. Without real-time visibility, it's difficult to know where staff are, manage workloads, and respond quickly when needs change.

Actsoft provides real-time workforce tracking, task management, and mobile visibility—helping healthcare organizations operate more efficiently and stay connected throughout the day.

Powered by T-Mobile's network, Actsoft keeps your team visible, accountable, and coordinated wherever care is delivered.

Key Features

- Real-Time Location Tracking – Know where staff are at all times.
- Mobile Time Tracking – Clock in/out from anywhere.
- Task & Job Management – Assign and manage work in real time.
- Digital Forms – Replace paperwork with mobile reporting.
- Operational Dashboard – Monitor workforce activity in one place.

Healthcare Benefits

- Improve visibility into staff movement and activity
- Increase accountability across teams
- Streamline operations and reduce manual processes
- Improve response times with real-time insight
- Support better workforce planning and efficiency
