Care Team Communication for Senior Living & Home Care

Instant communication across every care team.

Care teams must coordinate quickly across nurses, caregivers, supervisors, and administrators. Communication delays can impact response times and patient care.

CPR³ Care Coordination Hub connects staff instantly with alerts, messaging, and push-to-talk communication powered by T-Mobile's network.

Key Features

- Real-time care team alerts and messaging
- Push-to-talk communication across staff
- Mobile access for supervisors and caregivers
- Coordination between departments and facilities
- Cloud dashboard for operational visibility

Healthcare Benefits

- Improve coordination across care teams
- Reduce response delays during incidents
- Streamline communication across shifts and departments
- Ensure critical information reaches the right staff instantly

Brought to you by Premier Wireless, powered by T-Mobile's network
