Connected Care Environment

One Platform For Safer Care and Smarter Operations

Healthcare organizations rely on seamless coordination between caregivers, facilities, and technology to deliver safe, effective care.

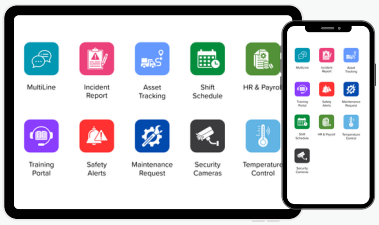

The Connected Care Environment from Premier Wireless brings communication, safety, visibility, and connectivity together in one integrated solution.

Powered by T-Mobile's nationwide 5G network, this platform connects caregivers, devices, and facilities in real time — helping healthcare teams respond faster, improve safety, and maintain operational continuity.

Connected Solutions

CPR³ Care Coordination Hub

Real-time alerts, communication, and incident coordination across care teams and facilities.

Personal Safety Devices & Panic Buttons

Instant emergency alerts and location tracking to protect caregivers and lone workers.

5959 Corporate Drive, Suite 1225, Houston, TX 77036

P: (281) 667-0404 | E: sales@premierwireless.com | premierwireless.com

Facility Safety Cameras

Smart monitoring for entrances, hallways, and common areas to improve situational awareness.

Reliable Connectivity Infrastructure

Cellular routers and failover connectivity keep EHR systems, nurse stations, and security platforms online.

Mobile Caregiver Technology

Smartphones, tablets, and mobile connectivity keep caregivers connected wherever care is delivered.

Healthcare Benefits

- Improve communication across care teams
- Enhance safety for staff and residents
- Maintain operational visibility across facilities
- Keep healthcare systems connected during outages
- Support faster response to incidents and emergencies

Brought to you by Premier Wireless, powered by T-Mobile's network

Build a smarter, safer connected care environment.
