PREMIER WIRELESS™

T-MOBILE FOR BUSINESS REGISTERED PARTNER

Real-Time Asset & Vehicle Tracking

Track equipment, vehicles, and mobile assets instantly.

Organizations often lose visibility into valuable assets such as:

- Equipment and machinery
- Trailers and containers
- Vehicles and fleet assets
- Mobile equipment and tools

Asset tracking solutions provide real-time location visibility across all asset types—indoors and outdoors.

Flexible Tracking Options for Every Asset Type

SunTech compatible with Geotab

Key Features

- Real-time location tracking across equipment and vehicles
- Geofence alerts for movement, removal, or unauthorized use
- Location history and reporting
- OBDII plug-and-play tracking for vehicles
- Battery-powered, solar, and hardwired tracking options

Healthcare Benefits

- Reduce theft and asset loss
- Locate equipment and vehicles instantly
- Improve operational efficiency across job sites
- Ensure asset availability when and where it's needed
