

VeraSync™ Connected Care Ecosystem

Scale Remote Patient Monitoring Without Increasing Staff Burden

VeraSync™ helps physicians and clinics deliver connected care through cellular-connected devices, intelligent monitoring workflows, and optional licensed nurse support.

Powered by Premier Wireless and T-Mobile's nationwide network.

Three Components. One Connected Care Ecosystem.

VeraSync Connect™

Cellular-Connected Monitoring

- No Wi-Fi Required
- No Smartphone Required
- No Bluetooth Pairing
- Reliable Data Transmission

VeraSync Insight™

Clinical Monitoring & Workflow Platform

- Patient Visibility Between Visits
- Prioritized Patient Dashboards
- Escalation Workflows
- Documentation & Reporting

VeraSync Nurse Navigator™

Licensed Nurses Extending Your Care Team

- Patient Onboarding
- Adherence Support
- Wellness Outreach
- Clinical Escalations
- Care Coordination

Benefits for Physicians & Clinics

Expand Care Capacity

Support more patients without adding internal staff.

Reduce Operational Burden

Simplify onboarding, monitoring, and patient engagement.

Improve Patient Adherence

Eliminate common technology barriers that lead to patient drop-off.

Support Reimbursement-Ready Programs

Designed to support RPM, CCM, PCM, and APCM workflows.

Improve Clinical Visibility

Gain insight into patient health between office visits.

Benefits for Patients

Simple Technology Experience

No apps, Wi-Fi, or complicated setup.

Better Care Between Visits

Stay connected to care teams through ongoing monitoring.

Improved Access to Care

Ideal for Medicare, chronic care, rural, and aging populations.

Greater Peace of Mind

Early identification of potential health concerns.

Flexible Care Models

VeraSync Practice™

For organizations managing RPM internally.

VeraSync Clinical Care™

For organizations looking to extend capacity with VeraSync Nurse Navigators.

Why Healthcare Organizations Choose VeraSync™

- ✓ Cellular-Connected Infrastructure
- ✓ Clinical Workflow Software
- ✓ Optional Licensed Nurse Support
- ✓ Reimbursement-Ready Workflows
- ✓ Improved Patient Engagement
- ✓ Scalable Connected Care Programs

Most RPM programs struggle with patient engagement, staffing limitations, and disconnected workflows. VeraSync™ was built to solve all three.

Connected Care Beyond the Office Visit

**Improve patient outcomes. Reduce operational complexity.
Scale with confidence.**
