

## EverLink Public Sector Fleets

### Connectivity Built for Critical Mobile Operations.

Integrated 5G + Satellite Connectivity for Government, Utility, Public Works, Emergency Response, and Field Operations Fleets.

#### What is EverLink Public Sector?

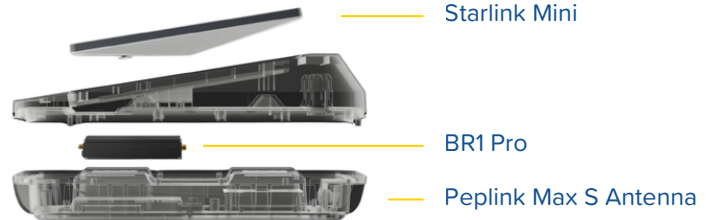

EverLink Public Sector combines T-Mobile 5G, Starlink Satellite, and enterprise-grade routing into a single mobile connectivity platform designed for government and utility fleet operations.

Maintain reliable connectivity for:

- Mobile Field Operations
- Dispatch Communications
- Fleet Visibility
- GPS Tracking
- Mobile Office Applications
- Incident Response
- Emergency Coordination
- Remote Crew Connectivity

#### Public sector connectivity kit - What's included?

- Starlink Mini Mobile Satellite System
- Peplink BR1 Pro Enterprise Router
- MAX S High-Gain Vehicle Antenna
- Multi-Network Connectivity Platform
- Professional Vehicle Installation
- Centralized Fleet Management Portal

#### Why public sector organizations choose EverLink

- ✔ **Mobile Operations Connectivity:** Maintain communications across field crews, vehicles, and remote operations.
- ✔ **Fleet Visibility & GPS Tracking:** Support real-time tracking, routing, and operational awareness.
- ✔ **Remote Crew Communications:** Enable reliable communications for utility crews and field personnel.
- ✔ **Emergency & Incident Support:** Maintain connectivity during storms, outages, disasters, and emergency events.
- ✔ **Connectivity Beyond Traditional Networks:** Extend operations into rural and underserved environments.
- ✔ **Automatic Network Failover:** Seamlessly switch between cellular, Wi-Fi, and satellite networks without interruption.
