RAM PTT Remote Speaker Mic Bundle

For Sonim XP5plus & XP5plus 5G

Overview

An in-vehicle push-to-talk kit with a powered locking dock, direct-connect speaker mic, double-ball dash mount, backing plate, and 10–30 VDC hardwire charger.

RAM-138-S-SNM3PL-V7B1-1U

Features

PTT

Speaker mic

Plugs into the Sonim SecureAudio connector. Bracket included.

USB

Powered dock

The form-fit EZ-Roll'r™ dock charges via two pogo pins and USB-A.

LOCK

Keyed security

Dock lock and RAM® Pin-Lock™ knob help deter theft.

WARRANTY

Lifetime / 3 years

Lifetime on RAM® mount components. Three years on the dock and electronics.
