CRADLELINK | PLUM EDITION

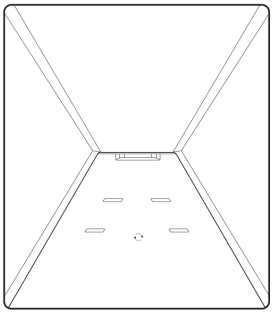

Ready for the field.

Cellular reach. Satellite flexibility. Central visibility.

01 | Ericsson Cradlepoint R980

- Ruggedized 5G router with LTE fallback and Wi-Fi 6.
- Two SIM slots; one active cellular carrier at a time.
- Two Gigabit Ethernet ports for wired connections.
- Typical client count: 50.
- NetCloud remote configuration, monitoring and updates.

02 | Starlink Mini

- Compact low-Earth-orbit satellite internet terminal.
- Satellite path complements terrestrial cellular coverage.
- Ethernet connection integrates with the router.
- Terminal weighs 2.43 lb; 11.75 × 10.2 × 1.45 in.
- Average power draw: 25–40W.

03 | Plum Explorer SR Mini

- IP65-rated, watertight, crushproof and dustproof case.
- Integrated 4×4 MIMO cellular antenna array.
- Plum Power Bank with two battery packs; expands to four.
- AC, 12V and solar charging options; single-button operation.
- Case: 21.96 × 13.97 × 8.98 in.; 28.5 lb.

UP TO 12 HOURS

Cellular + Starlink operation

UP TO 32 HOURS

Cellular-only operation

Manufacturer-rated maximums; runtime varies by battery configuration and load.

One year of Plum Care included

24/7/365 technical support, virtual training, covered repairs and remote fleet management through the included NetCloud Essentials + Advanced package.
