T-Priority™ for Legal Professionals & Institutions

Legal institutions rely on secure, reliable connectivity to keep legal teams, devices and critical data connected. As technology increases network demand, outdated infrastructure can lead to congestion, insufficient speeds and inadequate security.

T-Priority™ delivers the network performance and resources legal professionals and institutions need to stay connected —even during congestion.

More Connectivity. More Capability.

Legal professionals rely on connected devices and data applications to communicate, access information and operate efficiently.

T-Priority™ helps deliver:

Faster speeds

with a performance baseline 2X faster than previously provided.

Priority access

and preemption for voice and data, helping keep critical communications and applications running smoothly.

More 5G capacity

to support critical legal operations than other providers.

Better 5G coverage

reaching 98% of Americans across more than 2 million square miles.

Enhanced network security

with security built into every layer of the network.

Eligible for state and federal grant funding.
